Dear ECFC Families and Friends:

It feels like we're in summer stoppage time, with fall season about to start. I want to take a moment to celebrate our Club's summer successes.

Camp Casey: This is our ECFC-run summer residence camp on Whidbey Island, which ran July 30th – August 2nd. 76 kids enjoyed a mix of expert soccer education, free time and socializing. I would like to thank our outstanding coaching staff, including Coaching Director Bobby Howe, Todd Schilperoort,

Jan Smisek, Jon Bakken, C.J. Hamel and Francois Delafosse. This camp was made possible by the dedication and work of Board member and volunteer Kerry Bauman and her wonderful staff of parent volunteers: Erin Bell (F01), Dara Lockert (M03), and Gail Stringer (F04). Finally, as we look forward and prepare for next year, we'd like to hear from our parents and players, both attendees and non-attendees. Please send your ideas and feedback to info@emeraldcityfc.org with "Camp Casey" in the subject line.

Summer Tournament Results: Several of our teams participated in summer tournaments. Congratulations to the following teams!
